A stunning south facing villa located at only 1 km of the Town with panoramic views to the Jalon Valley and surroundings. At the entrance of the plot we could find a secure double parking area with pergola and car gates. The external staircase lead up to the pool area where we could enjoy of an independent apartment with open fully fitted kitchen, double bedroom, living /dining room and huge guest shower room. Finally and once we arrive to the main house we have a got a nice covered porche from where there are panoramic views to the valley and countryside, hallway, living / dining room with feature fireplace, fully fitted kitchen, two double bedrooms with build in wardrobes and family bathroom. At the third floor the impressive master bedroom with en-suite bathroom and outside terrace with scenic views to the full Valley. The villa has got gas central

heating, double glazed windows with security grills, roller blinds, mosquito nets and roller blinds, main air conditioning, white wooden interior doors, 8x4 rectangular pool with terrace around and car port. The plot is totally fenced with car and pedestrian gates. We highly recommend viewing this very special property to fully appreciate its considerable charms and idyllic location.
