Original village Townhouse located at the same center of the village. Its distribution briefly consists in: Ground Floor; hallway, double bedroom, living / dining room with burning fireplace, big kitchen with diary dining room and storage, interior courtyard, family shower room and a covered area used as a laundry. On the first floor we could find the second double bedroom, another hallway and 2 annexed double bedrooms. Finally, from the bedrooms we can access to the roof terrace with amazing views to the valley. The property also enjoys of wooden doors, original floor tiles at the ground floor, wooden and refurbished roof. The viewings are recommended to appreciate its potential and its original features.
